The screenshot shows the 'Loan Master Screen' in a software application. It displays a grid of four loan scenarios for a prospect named 'Adelman, Terry'. Each scenario shows a price of \$38,500.00, a rebate of \$3,500.00, a trade-in of \$5,000.00, and a payoff of \$2,000.00. The scenarios vary in the number of payments (144, 180, 240, 1) and the monthly payment amount (396.37, 344.00, 312.38, 35,996.24). The interface includes a menu bar, a toolbar, and a sidebar with a 'Last 5 Deals' list.
